

REMARKS

Claims 1-38 are currently pending in the Application. Claims 1, 18, and 27-30 are currently amended, without acquiescence or prejudice to pursue the original claims in a related application. A complete listing of the current pending claims is provided below and supersedes all previous claims listing(s). No new matter has been added.

In addition to the Examiner's amendment as listed in the notice of allowance dated June 15, 2009, Applicants respectfully submit to amend some of the claims for clerical purposes.

More specifically, the preamble of claim 1 is amended to recite "[a] computer implemented method". Claim 1 is also amended to recite "generating debug results based upon the act of executing the process of the request processing module . . ." to ensure consistency of the claim language and to clarify what Applicants regard as the claimed subject matter as embodied in claim 1.

The preamble of claim 18 is also amended to recite "[a] computer implemented method". Claim 18 is also amended to recite "generating processing results based upon the act of executing the request processing function" for grammatical purposes.

Claim 27 is further amended to recite "generating debug results based upon the act of executing the process of the request processing module . . ." for grammatical purposes and to ensure claim language consistency.

Claim 28 is further amended to recite "a processor configured for executing a process of . . ." and "means for generating debug results based upon executing the process of the request processing module . . ." for grammatical purposes and to clarify what Applicants regard as the

claimed embodiment as embodied in claim 28. Claim 30 is similarly amended to recite “a processor configured for executing the request processing function . . .”. Claim 29 is further amended to correct a minor clerical informality.

Therefore, Applicants respectfully submit the after allowance amendment pursuant to 37 C.F.R. § 1.132. If the Examiner has any questions or comments, the Examiner is respectfully asked to contact the undersigned at the numbers listed below.

The Commissioner is authorized to charge any fees due in connection with the filing of this document to Vista IP Law Group’s Deposit Account No. 50-1105, referencing billing number 7037682001. The Commissioner is authorized to credit any overpayment or to charge any underpayment to Vista IP Law Group’s Deposit Account No. 50-1105, referencing billing number 7037682001.

Respectfully submitted,
